LETTERMANS' CLUB

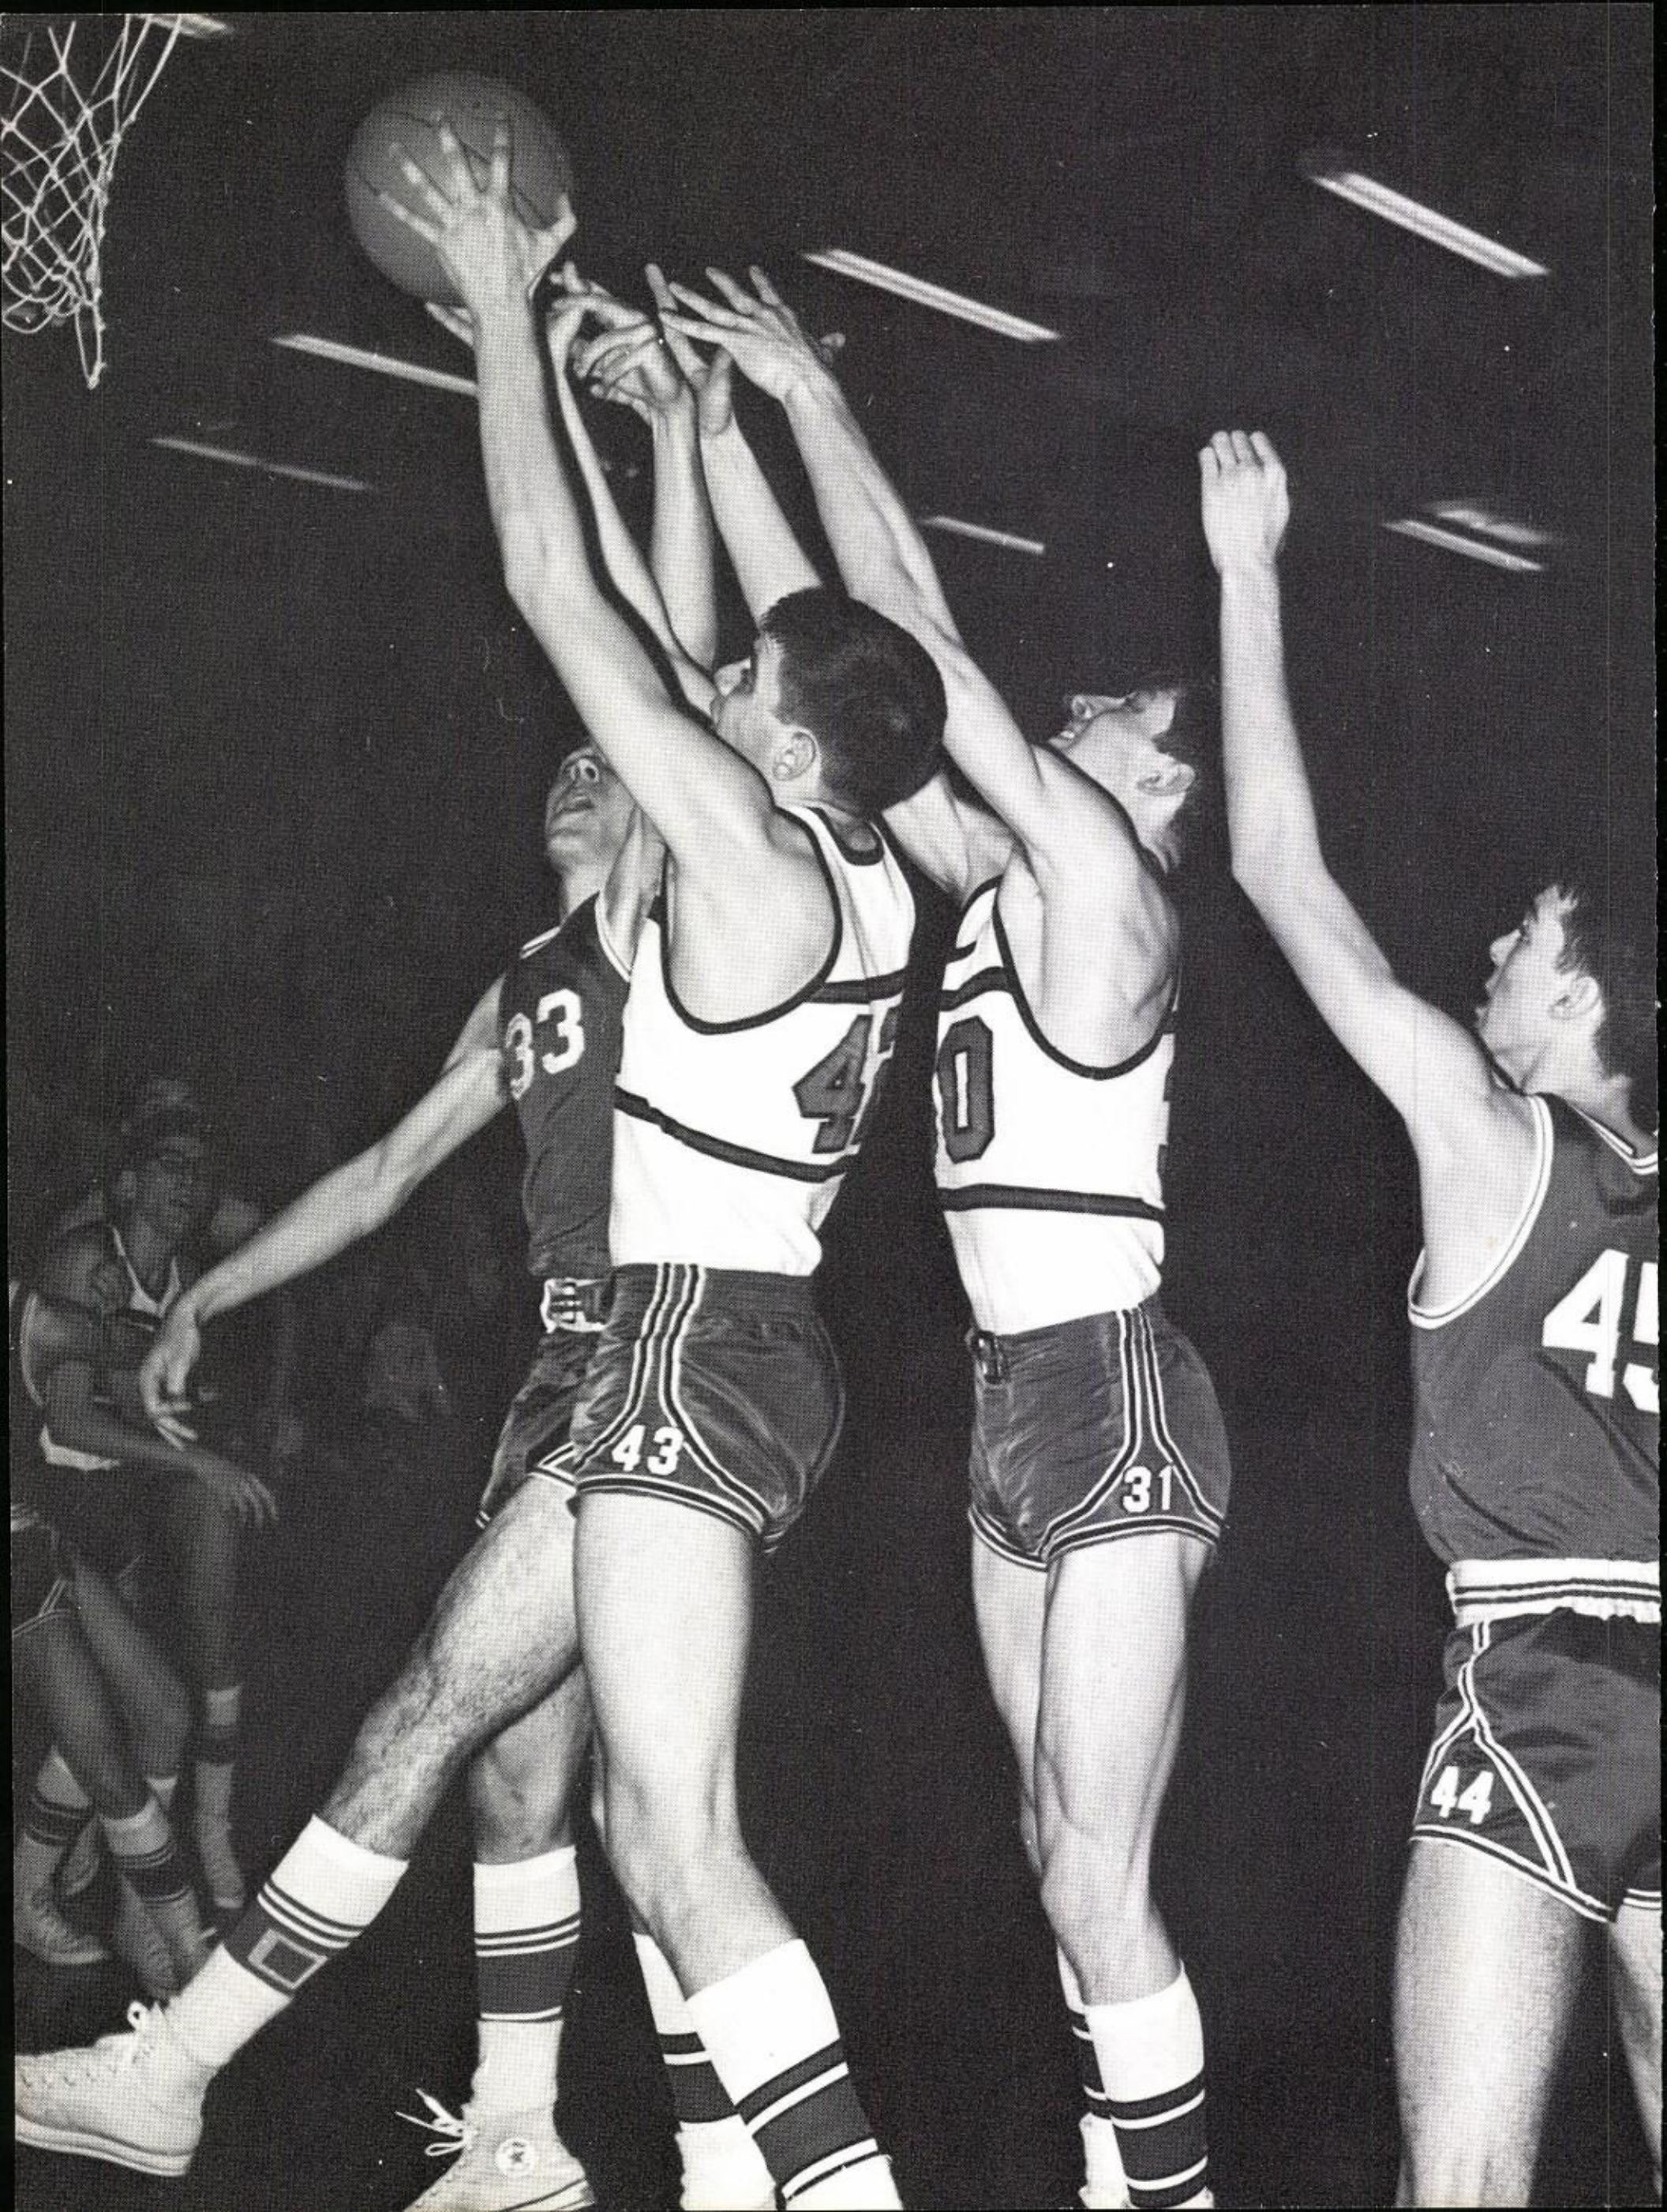

BASEBALL

LETTERMAN'S CLUB officers, Pamm King, Dave Fellows, Chris Clark, and Barb Fleming, have the tremendous task of organizing this experimental club. It is an expansion of the Varsity Club, encompassing all who have received a varsity letter in sports, band, National Honor Society or cheerleading. It is divided into two sections—the boys, whose president is the president of the entire club, and the girls, whose president is the vice-president of the entire club. The main prupose is to promote unity in the student body. This new organization strives to live up to its high ideals and add to the already well known name Gabriels has attained it its two short years.
